CHARLA 3L BIB WHITE WINE

Inspired by the air of the Mediterranean evening, this wine is refreshing and easy-going. Grown in Valencia the wine is fruity and well-rounded. Perfect for any picnic or fiesta.

ORIGIN:
D.O. VALENCIA

Over-delivering quality for price has made Valencia wines a great choice both for national and international markets. Valencia's Mediterranean weather with mild winters, rainy springs and warm summers and autumns allow the production of constant harvests, minimizing seasonal differences.

GRAPE VARIETY:
50% Macabeo and 50% Chardonnay

ORGANOLEPTIC CHARACTERISTICS:
This wine has a clean and pale, straw color, the nose is elegant with aromas of delicate lemon lime, orange blossom and pineapple. The mouth is well balanced with very pleasant acidity and lingering fruit. The finish is soft and refreshing.

Environmentally-sound packaging reduces our carbon footprint and the price is nice when considering that each 3 liter box holds the equivalent of 4 bottles of wine.
