

Tuccioliva

{Extra Virgin Olive Oil}

Century Old Groves

100% Grown and Harvested in *Spain*

We have been making Extra Virgin Olive Oil from the Picual olive variety for more than 50 years.

Pure olive juice with no additives.

Purely mechanical extraction.

It's that easy.

Century old olive trees that produce the best fruit through sustainable agriculture could only be improved adding this dark bottle that protects the oil from light. Its light weight makes the shipping more eco-friendly.

100% Picual olive oil from the heart of Andalusia with the highest level of anti-oxidants due its content of polyphenols. Enjoy Picual's rich flavour and its generous health benefits.

What is the origin of the name Tuccioliva? Tucci was the original name of Martos, the town where our olive groves flourish today, during the Iberian time, even before the peninsula was romanized. Not just a beautiful Mediterranean-like name, but a genuine homage to our ancestors.
